## Farmington Enterprises

## THE CITY DRUG STORE

A glance at the beautiful store operated by the above concern will pave the way for a profitable acquaintance with one of Farmington's most popular retail enterprises. The City Drug Store carries a complete line of drugs, chemicals, proprietary medicines, rubber and leather goods, physicians' supplies, kodaks, toilet articles, perfumes, stationery, cigars, tobaccos, candies, etc. The prescription department is a special feature of this store, in fact, there are prescription specialists. The fixtures in use are of the most modern type and that "it has a metropolitan appearance", is the opinion of all.

The City Drug Store is one of the Famous Rexall Stores, of which there are about 10,000 in the U. S. These stores have the reputation of being, almost invariably, the leading drug stores in each town.

This is one of the oldest businesses in town and has long enjoyed an enviable reputation for fair dealing and prompt service. It is managed by E. J. Lawrence. He is a gentleman of the ripest sort of experience in this important line and a man with whom it is always a pleasure to deal. He is progressive in his methods and takes an active interest in all matters that tend to benefit the community and its people.

## J. M. KARSCH SHOE CO.

Devoted exclusively to the sale of shoes, hosiery and the notions usually carried by exclusive shoe stores, this enterprising firm carries one of the most complete stocks to be found in the city. A trip through their elegantly appointed store removes all doubt of the truth of the above statement. The building, 35 x 100 feet, is lined with shelving from the floor to the ceiling. These shelves are filled with a high grade line of shoes for men, women and children, and the second floor is used as a stock room.

In addition to the high class shoes, a complete stock of medium priced and work shoes are carried. They operate a repair department and the repair work is of the highest order. The store is attractive, maintains attractive window displays and is thoroughly modern.

The business was established here in 1871 and has long enjoyed a liberal patronage. It is now customary to see "Karsch" and think "shoes."

J. F. Karsch, the manager, is a native of Farmington and is known as one of our wide-awake business men.

## ENJOYABLE EVENING

The annual banquet of the Epworth League of the M. E. Church, South, was given last Friday evening, in the basement of the church, and proved to be a most delightful and enjoyable affair. Splendid refreshments were served by the Woman's Missionary Society of that church, and eighty plates were spread. Between courses yells were given for church leaders, as well as for the Epworth League.

The basement was beautifully decorated in the seven colors of the rainbow, which color scheme was carried out in the seven tables at which the guests were seated, as well as in the dress of the serving party. The following excellent program was faultlessly rendered:

Solo—Miss Naomi Garner.

Bible Reading—Miss Lelia Davis.

Who?—Miss Martha Raines.

## DEATH OF GOOD WOMAN

Mrs. Jessie F. Grover passed peacefully to the Great Beyond, from her home in this city on the evening of Sept. 17th, in her 62nd year of life. While deceased had been quite sick for some time, she was supposed to be improving, when a sudden heart attack terminated her existence in this life.

Mrs. Grover was greatly beloved in this community, where she spent so many years of her life. Friends were irretrievably drawn to her by her many splendid and attractive qualities, and announcement of her death was a real shock to this community.

She was preceded in death by her husband and only child, a son, who but recently died. She is survived by two sisters and a brother—Miss Mary Blore, of Washington, D. C., Mrs. E. T. Shaw, of Fort Meyers, Fla., and Horace Blore, of Rahway, N. J., all of whom attended the funeral services here Monday afternoon.

## Wm. F. MILLER.

This splendid old citizen was called to his eternal reward from his home in this city on Sept. 19th. He had reached the 76th milestone, and died in the same county where he was born. Few things so commendatory of one can be said than that he was born, had lived and died in the same community, and always held the respect and esteem of his neighbors. But that was true of Wm. Miller.

Deceased was the father of 12 children, two of whom died in infancy. Ten children are still living. Funeral services were held at 10 a. m. Tuesday, at the M. E. Church in this city, and interment was in Copenhagen graveyard.

## NEW GOODS are Arriving

I have just returned from the St. Louis markets, where I made heavy purchases of fall and winter goods, which include many splendid Dress Patterns, Men's Furnishing Goods and Shoes.

Have also made large and splendid additions to my line of Staple and Fancy Groceries.

My recent big Clean-Up Sale, which was a great success, has enabled me to make room for these big purchases, which now enables me also to offer to customers a large stock of absolutely new goods, which were purchased at prices that enables me to offer them at lower prices than before.

When you want anything, either in Dry Goods or Groceries, we will both lose money if you fail to call and inspect my well selected stock and get my prices.

Yours to please,

A. C. BOYD, Farmington, Mo. Phone 58

## THEY FEED THE LIZZIES HAY NOW

When automobiles took the place of the faithful old nag, little was it thought that in a few years America would be feeding the automobile hay. The Department of Agriculture at Washington has produced an illuminating and power gas from straw, cornstalks, hay and other vegetable matter. Fifty pounds of straw will produce enough gas to run a light auto 15 miles. The picture above shows an expert manufacturing the gas in one of the experimental rooms.

## CHIC FALL SCARF

This smart scarf of seal plush serves Millady as jacket and scarf. The belt and pockets give the distinction that is uncommon to scarfs and make it a pleasing evening wrap.
